

Hacktitude Rules & Regulations

1. *Description of the contest*

1.1. Sponsor. Hacktitude (the “Competition”) is sponsored by 99X Technology situated at #65, Walukarama Road, Colombo 03, Sri Lanka.

1.2. Overview.

1.2.1. The competition is designed to

1.2.1.1. To encourage and inspire university students to get involved and enhance their contributions to the open source community;

1.2.1.2. Involve university students in Open Source projects at 99X Technology.

1.2.2. First Round. As a registered contestant in the Contest, you may select a task provided by 99X Technology. Once you have worked on the task and believe it is ready for the Organization to review, you may submit a pull request and send the link of the pull request as a Contest entry via Google Form. Judges assigned to each project by 99X Technology will evaluate entries in accordance with these Contest Rules and prizes will be awarded to eligible contestants.

1.2.3. Final Round.

1.2.3.1. The top 10 contributors from the initial phase will then be individually mentored by one of 99X Technology professionals to work on their own ideas (after mentor approval) or an idea provided by 99X Technology and create their own projects based on such ideas.

1.2.3.2. On completion of the idea generation and mentor pairing phase, these finalists would be given two weeks to work on their repositories under the guidance of their specific mentors.

- 1.2.3.3. At the end of these two weeks, their repositories would be reviewed and the top 3 contributors would be selected and rewarded with prizes.
- 1.2.3.4. All the new repositories will be open source projects and resides under 99XT GitHub organization. These projects will be licensed under MIT license.
